

Final English II Family Check

Please sign below. I understand that Ms. Diaz despises cheating. I understand that cheating means expulsion from college with a loss of tuition and scholarship money. I understand that cheating means losing my job. I understand that if I cheat in this class, I still have to complete the assignment. I understand that I will earn a "P" for poor conduct on the first offense (with all following offenses resulting in a "U" for unacceptable on my conduct score, which will make me ineligible for the grading cycle). I understand there will be a meeting with my family, my art area directors, and the school administration to address my actions, and I may be automatically placed on disciplinary probation, thereby threatening my seat at HSPVA

Please initial below. I understand that Ms. Diaz does not, at any moment, give permission to be audio or video taped in her classroom or anywhere else our learning may take us. I understand that Houston ISD gives Ms. Diaz this right and protection. I understand that Ms. Diaz and my classmates have the right to fully explore controversial conversations without fear of being recorded in order to build a relaxed, trusting, and fruitful learning environment.

Please initial below. I understand that this year we will be analyzing two movies rated R according to the Motion Picture Association of America. *Schindler's List*, directed by Steven Spielberg, received this rating due to "language, some sexuality and actuality violence." *The Matrix*, directed by the Wachoswkis on the other hand, received the R rating for "sci-fi violence and brief language." I understand that Ms. Diaz uses these films for educational purposes, I understand that the days spent analyzing the scripts and films are not "fun movie days," and I further understand that if my family has any questions about the use of either of these films, they should email Ms. Diaz through the class website (www.worldhumanities.org).

Please initial below. My family and I received a syllabus, a family letter, and we understand that the class website will be a fountain of information and resources throughout the year. **We also note that the first assessment of my reading (a timed writing for *All Quiet on the Western Front*) will take place on September 13th (red days) and 14th (1st period and grey day).**
